

## **Warranty Information**

A Cowboy Cauldron is built to last and meant to be loved. If you order one from us and don't like it, you can return it within 60 days for a full refund, no questions asked. Yes, it's a bit of a gamble since you might have to cover return shipping, but we've sold thousands of Cauldrons and only had one come back so far. It's a pretty safe bet.

**All Cauldrons are unconditionally warranted for one year from the date of purchase.**

Replacement parts are rarely requested, but they are naturally available. Most replacements result from parts being lost or damaged, such as from running over a grill. If you're using a Cauldron so often that something actually wears out (and we can assure you it won't be the basin), know that we are here to support you.
